

OpenMultiMed training school 6

04.02.2019 to 08.02.2019

Computational data science

04.02.2019

11:00 to 13:00

Arrival to the hotel, registration

14:00 to 15:30

Ivan Chorbev, PhD

Opening talk and introduction to the topic

15:30 to 16:15

Coffee Break

16:15 to 18:30

Dimitar Trajanov, PhD

Introduction to Data Science

05.02.2019

Morning hours

Free time

13:30 to 15:30

Massimiliano Zanin, PhD

Data Science, a hands on approach

15:30 to 16:15

Coffee break

16:15 to 18:30

Nuno M. Garcia, PhD

Entropy analysis for biosignals

06.02.2019

Morning hours

Free time

13:30 to 15:30

Ioanna Chouvarda, PhD

Biomedical signal processing with applications in cardiology

15:30 to 16:15

Coffee break

16:15 to 18:30

Vladimir Trajkovikj, PhD

What Clinics Are Expecting From Data Scientists?

19:00 to 21:00

Gala dinner

21:00 to 00:00

Social event

07.02.2019

Morning hours

Free time

13:30 to 15:30

Nuno Pombo, PhD

The Journey From Data to Knowledge
(Case Studies: Sentiment Analysis in Sports)

15:30 to 16:15

Coffee break

16:15 to 18:30

Johannes Schmid, PhD

Multifactorial analysis to identify links between inflammatory
and thrombotic processes

08.02.2019

10:00 to 11:00

Closing ceremony and certificates
